

# Berk Çiçek

Ankara, Turkey — cicekberk8@gmail.com — +90 (506) 6934433 — Website — LinkedIn — Github — Google Scholar

## EDUCATION

**Bilkent University, Faculty of Engineering, Ankara, Turkey** 2022 — Present  
M.Sc. in Computer Engineering CGPA: 3.94/4.0

**Bilkent University, Faculty of Engineering, Ankara, Turkey** 2017 — 2022  
B.S. in Mechanical Engineering CGPA: 3.33/4.0

## EXPERIENCE

**LIRA Lab** Ankara, Turkey  
*Graduate Research Assistant (Advisor: Asst. Prof. Ozgur Oguz)* Sep 2022 - Present

- Drake and RAI robotics toolboxes, Franka Research 3 Robot System  
Robotic Manipulation, Task and Motion Planning

**Bilkent University** Ankara, Turkey  
*Undergraduate Researcher (Supervisor: Asst. Prof. Luca Biancofiore)* Mar 2020 – June 2022

- CFD and Particle Modelling via LAMMPS, OpenFOAM and MATLAB  
Modelling Self-driven Complex Particles under Optical Potential

**QNB Finansbank** Istanbul, Turkey  
*Long Term Data Science Intern* Feb 2022 – June 2022

- Data Analysis

**National Research Center of Italy (CNR-IPCF)** Messina, Italy  
*Intern Researcher (Supervisor: Dr. Onofrio Marago)* June 2021 – Aug 2021

- Particle Modelling via MATLAB  
Modelling Janus Particles under Optical Potential and Thermophoresis

**EnerjiSA Üretim** Istanbul, Turkey  
*Long Term Intern* Jan 2021 – June 2021

- Theoretical Model of Flow and Leaks in Plant

**TAI-TUSAS** Ankara, Turkey  
*Intern* June 2020 – Aug 2020

- Mechanical Design of Helicopter Body via CATIA

## PUBLICATIONS

### Journal

Optically Driven Janus Micro Engine with Full Orbital Motion Control - ACS Photonics 2023

### Manuscript

FViT-Grasp: Grasping Objects With Using Fast Vision Transformers - Manuscript is available on Website

## SKILLS & ABILITIES

**Computer:** Python, SQL, MATLAB, Drake, RAI, OpenFOAM, LAMMPS, CATIA, Solidworks, Solidworks Simulation, Ansys, Comsol, Microsoft Office, C++, SAP, PI, PI ProcessBook, Arduino, GML (Game Maker Language)

**Language:** Turkish (Native), English (Advanced), Italian (Beginner), Chinese (Beginner, 2nd Language in High School), Spanish (Beginner, 1 Year Education), German (Beginner)

## RELEVANT EXPERIENCES

- Learning for Robotics **CS-549 Teaching Assistant**, Bilkent University 2023 Fall
- Python **CS-115 Teaching Assistant**, Bilkent University 2022 Fall- 2023 Spring
- Dincer Logistics Hackathon **100,000 TL Reward Winner** with “WareMan: CV based Warehouse Management” Project
- **CS554 Computer Vision Term Project:** Hand Pose Estimation with LTF
- **CS549 Learning for Robotics Term Project:** Grasp Point Detection with F-ViT
- **Graduation Project:** Multi-Directional Power Soccer Chair for Individuals with Disabilities and Online VR Game of Power Chair Soccer via Unity and Photon

- CrossWalker: NY Times Mini Crossword Puzzle Solver - CS461 AI Project Using NLP and Search Algorithms
- FNSS Case Challenge Winner
- British American Tobacco (Turkey) Case Challenge Winner
- Sabancı Holding YNKD Fellow
- ROKETSAN-MES; Exoskeleton Project Member
- Electric Vehicle Project Coordinator
- Bilkent Electric Vehicle Society Dynamic Design Team
- Term Project on “Analyzing the Cavitation of Viscoelastic Lubricants”
- Project Research about “Solar Stirling Engine Thermodynamics Analysis”
- Member of Project Group “Unmanned Land Vehicle” MES Bilkent
- IEEE Arduino Trainings
- Project Research about “Gyroscopes in Systems”

## EXTRACURRICULAR ACTIVITIES

---

- |   |              |
|---|--------------|
| • Club President, Bilkent University Mechanical Engineering Society               | 2019-2020    |
| • Board member, Bilkent University Mechanical Engineering Society                 | 2018-2019    |
| • Volunteer Work, GSM   | 2017         |
| Community service practices in France by agency of GSM (2017), 1 month in France  |              |
| Community service practices in Estonia by agency of GSM (2017), 3 week in Estonia |              |
| • Sales and Marketing Representative, Bilkent Radio                               | 2017-2018    |
| • Project Coordinator and Board Member, Bilkent Electric Vehicle Society          | 2018-Present |
| • Campus Tour Guide, Bilkent Information Center                                   | 2019-Present |

## PERSONAL TRAITS

---

- Always open to learn new subject and develop personal skills
- Experienced several groups and laboratory group as a leader
- Comfortable with managing stress in working area
- Experienced about doing presentations to the public as a presenter
- Practical intelligence
- Ability to learn new languages
- Is used to work with people from other cultures
- Driver license (B)

## HOBBIES & INTERESTS

---

- Traveling around the world and discovering different places
- Visiting most countries in Europe and also U.S.A and far East countries (30+ countries)
- Scuba diving
- Winter sports; snowboarding, skiing
- Playing chess
